Midlands Citizens for Life announces a special Pro-Life project to the public,
"Pennies for Babies"

Midlands Citizens for Life invites individuals, churches, groups or organizations to participate in **PENNIES for BABIES**. As an ongoing effort to respect human life from conception, we are instituting a permanent fundraiser throughout the year to protect innocent human lives and to uphold the sanctity of life given by God.

Each penny added to others will make an appreciable difference for the least of these, the unborn. Midlands Citizens for Life will be able to purchase and disseminate educational literature and baby models. All we are asking for is pennies, but if others wish to make larger donations, it can be tax deductible with checks made out to: "SC Citizens for Life – Educational Fund" with the memo stating "Midland's Chapter."

Prepared containers are available for use, along with literature, showing the size of a preborn baby equivalent to the size of a penny. To avoid conflict with other projects, such as Daybreak's Baby Bottle Project, we will remove our containers during that emphasis time period.

Midlands Citizens for Life is a chapter of SC Citizens for Life, the state affiliate of the National Right to Life Committee. The Midlands chapter is a single-issue pro-life organization promoting the sanctity of innocent human life from conception to natural death. Midlands Citizens for Life accomplishes its goals through the legal and peaceful means of education and legislation intended to stop abortion and to protect the medically vulnerable members of our human family -- the disabled, the elderly, the poor, and the chronically sick -- from death by euthanasia. The National Right to Life Committee, the nation's largest pro-life group, is a federation of affiliates in all 50 states and 3,000 local chapters nationwide.

All tax deductible donation checks may be made out to SCCL Educational Fund (memo: Midlands Chapter) and mailed to P.O. Box 1353, Columbia, SC, 29202.
